• INTRODUCTION:

The implement of Central Government sponsored scheme SJSRY has commenced with effect from 1st December 1997 in the entire urban areas of the stat of Gujarat. The Principal aim of this projects to raise the standard of living by engaging the urban poor in the economic activities after giving competent training. Special importance has been given to the up gradation of women living below poverty line specially in backward areas of urban sector hence, the prime question was to identify the poor for the purpose of implementation of the prime project of eradication of poverty. There fore, the Government has decided the criteria at the monthly income of Rs. 373.16 Ps. For the families living below poverty line in the urban sector of Gujarat. Non economic criteria is also prescribe for the purpose of encompassing all the families living below this monthly income level a survey has been undertaken by Gujarat Municipal Finance Board as a Nodal Agency under the auspices of the Urban Development Department of the Government. Various training programmers have also been planned after the completion of this survey for the purpose of engaging female members of the families living below poverty line into multifarious economic activities.

In the course of these training programmers, various representative were received from different areas of Nagarpalikas that many BPL families have not been include in this survey. As against this, many families which were not eligible to be included in the list, have been included. Because of this, there was fear that the benefits of the poverty eradication programmes would not reach the right beneficiaries. Taking these circumstances into consideration, in 143 nagarpalikas of this state by Gujarat Municipal Finance Board. For this purpose, a detained proposal was made to the Government in which a reference has been made of entrusting this work of cross verification to Medhavi (NGO). The said proposal of Gujarat Municipal Finance Board was sanctioned and accordingly the said Medhavi (NGO) has completed the survey project with the help of community organizers and other Investigator after house to house survey in the urban poverty areas of 143 nagarpalikas. A draft of the list of such survey has been published on the notice boards of the said 143 Nagarpalikas on 20-2-2001 under the signatures of the CDS, Presidents, Community Organizers, Chief Officers and Presidents / Administrators, Municipal giving 7 day's notice for inviting suggestions / objections if any, to the list.

During this period of 7 day's after taking into consideration the suggestions and objections at nagarpalika level, the number of families living below poverty line were-1038 (including both males and females) in Kodinar Nagarpalika. Accordingly the final lists of BPL families have been published on 30-7-2001. The 1752 BPL families have been identified as per final list.

In this cross verification process, the Presidents of CDS, Resident Community volunteers, Members of NHG Groups, presidents of Nagarpalikas and Chief Officers, who have taken keen interest and made strenuous efforts to prepare the list of eligible beneficiaries, ought to be congratulated and lauded acclaimed.
